

# OrganoWood signs distribution agreement with Bergs timber UK

**OrganoClick's subsidiary OrganoWood AB has signed a five-year distribution agreement with Bergs timber UK regarding distribution of OrganoWood timber in the British market. Under the agreement, Bergs timber UK will sell, market and stock OrganoWood timber via its distribution and marketing organization to both the professional and do-it-yourself market via its network of building suppliers and DIY stores.**

*"We look forward to deepening the collaboration with Bergs timber to now also include sales and distribution in the UK market. Bergs timber UK is a well-established distributor in the UK market and we look forward to developing the UK market together with them. The British market is very interesting where we believe that together with Bergs timber UK we can grow for many years,"* says Jens Hamlin, CEO of OrganoWood AB.

**About OrganoClick**

*OrganoClick AB (publ) is a public Swedish cleantech company listed on Nasdaq First North Growth Market. The company develops, produces and markets functional materials based on environmentally friendly fiber chemistry. Examples of products that are marketed by OrganoClick are the durable water repellent technology for textiles OrganoTex®, the biocomposite material OrganoComp®, surface treatment and maintenance products for villa and property owners under the brand BIOkleen®, biobased binder under the trade name OC-BioBinder™ and the flame and rot-resistant timber OrganoWood® (through the joint-venture OrganoWood AB). OrganoClick was founded in 2006 as a commercial spin-off company based on research performed at Stockholm University and the Swedish University of Agricultural Sciences within environmentally friendly fiber chemistry. OrganoClick has won a number of prizes, such as "Sweden's Most Promising Start-up" and "Sweden's Best Environmental Innovation", and has also received a number of awards, such as the WWF "Climate Solver" award, listed as a SUSTAINIA100 company and has also appeared for two years on the Affärsvärldens and NyTekniks list of Sweden's top 33 hottest technology companies. OrganoClick has its head office, production and R&D located in Täby, north of Stockholm. OrganoClick's Certified Adviser on Nasdaq First North Growth Market is Mangold Fondkommission AB, tel: +46 (0)8 503 01 551, email: [ca@mangold.se](mailto:ca@mangold.se).*
