

## The nomination committee proposes Göran E Larsson as new member of the board for OrganoClick AB (publ)

The nomination committee in OrganoClick AB (publ) make proposal to the Annual General Meeting of OrganoClick AB to elect Göran E Larsson as new member of the board. Göran E Larsson has a M. Sc. in Engineering and a Master in Business Administration with a long industrial experience. He is currently Chairman of the Board for the Nasdaq Stockholm listed real estate company AB Sagax and is member of the board for the Nasdaq First North listed software company Effnetplattformen AB and Habia Cable AB, a subsidiary to the Nasdaq Stockholm listed industrial group Beijer Alma AB. He is also member of the nomination committee of the Nasdaq Stockholm listed company Avega Group AB and Aqeri Holding AB and is Senior Advisor to Evli Bank Plc.

Previous experiences includes chairman of the board for ReadSoft AB, Aqeri Holding AB, Effnet Holding AB and vice chairman for Avega Group AB. Göran has also been chairman for a number of privately held company's such as QlikTech International AB, Sandrew Metronome AB, Bygg-Oleba Olle Engqvist AB, Tidningstryckarna Aftonbladet/Svenska Dagbladet AB, Standard Radio AB and Ferag Japan Ltd.

After positions in the Royal Academy of Sciences and the Saléninvest group during 1970-1984, Göran worked during 25 years as an interim managing director in a large number of technology and trade company's with international profiles spanning from development company's to a large group with 7.000 employees. Regular clients were Norwegian Schibsted-group and Swiss Ferag-group. Göran has also held positions within the Ratos-group and Industrifonden. Among the positions as managing director can be mentioned Micronic Laser Systems AB, Tidningarnas Telegrambyrå AB, Norstedts Tryckeri AB, Interforward AB and Ferag Inc. The missions often involved turn-arounds, reconstructions and/or challenges for the company during fast growth or upcoming listing processes. For the complete CV of Göran, please see the attached file [Bio Göran E Larsson](#).

### **About OrganoClick**

*OrganoClick AB (publ) is a public Swedish cleantech company listed on Nasdaq First North. The company develops, produces and markets functional materials based on environmentally friendly fiber chemistry. Examples of products that are marketed by OrganoClick are the water repellent fabric treatment OrganoTex®, the flame and rot-resistant timber OrganoWood® and biocomposite materials. OrganoClick was founded in 2006 as a commercial spin-off company based on research performed at Stockholm University and the Swedish University of Agricultural Sciences within environmentally friendly fiber chemistry. OrganoClick has won a number of prizes, such as "Sweden's Most Promising Start-up" and "Sweden's Best Environmental Innovation", and has also received a number of awards, such as the WWF "Climate Solver" award and has also appeared for two years on the Affärsvärldens and NyTekniks list of Sweden's top 33 hottest technology companies. OrganoClick has its head office, production and R&D located in Täby, north of Stockholm. OrganoClick's Certified Adviser on Nasdaq First North is Pareto Securities AB.*
