

19 February 2018

## Invitation to presentation of Recipharm's full year report for 2017 on the 22<sup>nd</sup> February

Recipharm will publish its full year report for January – December 2017 on 22 February at 7:45 am CET.

The company invites investors, analysts and media to a web conference (in English) on 22 February at 10:00 am CET, where CEO Thomas Eldered and CFO Henrik Stenqvist will present and comment on the report as well as answer questions.

The report will be available on Recipharm's website [www.recipharm.com/investor-relations](http://www.recipharm.com/investor-relations) from 7:45 am CET the same day and the presentation from the webcast will be uploaded during the day on the 22<sup>nd</sup> February.

To participate in the web conference, please use the below link:
