

Photocat A/S approved for listing on Spotlight Stock Market – move from First North

Spotlight Stock Market has today, July 21, 2025, approved Photocat A/S's application for listing at the marketplace. First day of trading on Spotlight Stock Market is planned August 5th, 2025. This means that Photocat A/S has initiated a move from Nasdaq First North Growth Market ("First North"), where it has been listed since 2015.

Photocat A/S, founded in 2009, specializes in offering photocatalytic products used to address air pollution. The products are applied as coatings on roofs, asphalt, concrete, facades and other cast structures, both adapted for indoor and outdoor surfaces. The business is conducted globally, with the largest presence in the Nordic market. The company is headquartered in Roskilde.

First day of trading in Photocat A/S shares on Spotlight Stock Market is planned August 5th, 2025, and last day of trading at First North is planned August 4th, 2025. Shareholders in Photocat A/S do not need to take any action in connection with the change.
