

Svea Mining AB godkänt för notering på Spotlight Stock Market / Spotlight Stock Market approves Svea Mining AB for listing

Svea Mining AB, ett prospekteringsföretag inom guld, koppar och silver, har idag, den 23 oktober 2026, godkänts för notering på Spotlight Stock Market. Första dagen för handel är planerad till den 27 oktober 2026.

Svea Mining innehar två prospekteringstillstånd i Skellefteå. Båda projekten är baserade i områden som har dokumenterade fyndigheter av guld, koppar och silver.

–Att notera bolaget ger oss tillgång till bredare kapitalmarknader och gör det möjligt för oss att bygga en större plattform snabbare. Priserna på guld, koppar och silver har alla nått rekordnoteringar under 2026 så tajmingen är idealisk för att notera bolaget. Våra inledande undersökningar är planerade för sommaren, under ledning av ett team av geologer som har erfarenhet från området för att ge oss bästa möjligheter att lyckas, säger Svea Minings vd Ken Osborne.

Spotlight Stock Market approves Svea Mining AB for listing

Svea Mining AB, a gold, copper and silver exploration company, has been approved for listing on Spotlight Stock Market. The first day of trading is planned for October 27, 2026.

Svea Mining holds two mineral exploration permits in Skellefteå. Both projects are located in areas with documented historical gold, copper and silver mineralization.

–Listing the company gives us access to the broader capital markets, allowing us to build a larger platform company faster. Gold, copper and silver prices have hit all-time highs in 2026, so the timing to list the company is ideal. Our initial exploration programs are planned for this summer, led by a team of geologists with experience in the region to give us the best chance of success, Svea Mining CEO Ken Osborne says.
