

Maquet Moduevo wins German Design Award 2018

December 5, 2017

Rastatt, Germany

Maquet Moduevo ceiling supply units has been recognized for outstanding design and functionality.

The German Design Awards recognizes products and designs that truly represent pioneering contributions to the design landscape. The highly esteemed, international design council only invites those products which are proven to stand out for their design quality and that provide differentiation from the competition.

“We are delighted that Maquet Moduevo has been recognised for its design and functionality - improved access to patients while ensuring vital equipment and utilities are always on hand.” shared Markus Stirner-Schilling Vice President Marketing & Academy, Europe Middle East & Africa.

The design of the Maquet Moduevo ceiling supply units allows each configuration to evolve in line with the hospital's daily challenges and makes Maquet Moduevo a worthy winner of this award.
