

Getinge announces its commitment to education at the EuroELSO Conference 2019

April 9, 2019

Barcelona, Spain

Getinge, a leading global provider of innovative medical technology, announces today its major sponsorship and educational program at the EuroELSO Conference in Barcelona from April 10-13, 2019.

“This Conference is one of the most important events for learning and networking opportunities for all healthcare professionals interested in the care of patients with both cardiac and respiratory failure.” shared Markus Stirner-Schilling, Senior Director, Acute Care Therapies, Global Commercial Operations.

Getinge, as an exclusive partner, has sponsored key symposia on April 12 and 13, presenting important topics such as Organ Perfusion in Organ Donor Transplantations, The Evolving Use of ECMO and How to Treat Lung Transplant Patients requiring ECMO. Conference attendees will also have the opportunity to participate in hands-on sessions at the training village. These training sessions will focus on extracorporeal cardiopulmonary resuscitation simulation, evaluating patients on extracorporeal membrane oxygenation and cannulation. In addition to the educational program, Getinge will showcase acute care therapy products including Cardiohelp and Cardiosave on the booth.

About EuroELSO:

EuroELSO is the European branch of the Extracorporeal Life Support Organization (ELSO) an international consortium of health care professionals and scientists who are dedicated to the development and evaluation of novel therapies for support of failing organ systems.

About Getinge at EuroELSO:

Registered visitors are invited to visit Getinge on booth A04 from April 10 – 13 2019, Palau de Montjuïc, Barcelona, Spain.
