### Getinge publishes Ethics & Compliance Report

**Today, Getinge is releases its second edition of an Ethics & Compliance Report showcasing the company's activities to integrate ethics and compliance into all parts of the business.**

"The purpose of our ethics and compliance work is to ensure that the decisions we make today are well informed, balanced and can withstand scrutiny also in the future," says Anna Romberg, Executive Vice President Legal, Compliance & Governance. "To support this we have during the year launched a Responsible Leadership initiative. For us, Responsible Leadership means being passionate about doing the right thing, daring to raise concerns when something doesn't feel right and dealing with issues in a respectful and transparent way".

The Ethics & Compliance Report focuses on describing Getinge's most material risks and focus areas in relation to Business Ethics and Responsible Leadership as one of the company's key Sustainability priority areas.

The report is available on Getinge's website.
