

Clavister participates in Redeye Cybersecurity Seminar 2018

John Vestberg, President and CEO of Clavister, joins top cybersecurity companies in Scandinavia via Redeye's IR event.

Örnsköldsvik, Sweden, 26 September, 2018. On the 3rd of October, Clavister will participate at Redeye Cybersecurity Seminar together with some of the most successful security companies in Scandinavia. The event presents the latest topics and areas of interest in cybersecurity and how that affects business and society letting companies that deal with those topics with software and hardware solutions to demonstrate their latest developments and strategies. John Vestberg, the President and CEO of Clavister, will discuss the company's views, solutions and thoughts on the marketplace.

The event will held at Redeye, Mäster Samuelsgatan 42, Stockholm at 13.00-17.00. The presentation will also be broadcasted live and can be followed at: <https://www.redeye.se/live/cybersecurity-18>

The panel discussions and presentations will posted on redeye.se and on the Company's website in Redeye Universe: <https://www.redeye.se/company/clavister-holding>
