

PRESS RELEASE 4 JULY 2025

Corem signs ten-year lease with Norrköping Municipality for approximately 3,300 sq.m.

Corem has signed a ten-year lease with Norrköping Municipality for 3,289 sq.m. in the property Svärdet 8 in Norrköping.

The property is located in central Norrköping, directly adjacent to Norrköping Municipality's city hall and administrative office Rosen. Before occupancy, the premises will be modernized and adapted to tenant needs, as well as updated regarding technical installations. Occupancy is planned for the fourth quarter of 2026.

"We look forward to the collaboration with Corem, and by moving into centrally located, adapted and newly renovated premises we enable the co-location of several of our operations, which in turn increases accessibility for our citizens," said Pernilla Thott Ljung, Director of Skills Supply at Norrköping Municipality.

"We are pleased to welcome Norrköping Municipality to modern premises in the heart of central Norrköping, with proximity to both the central station and transport links such as trams nearby. To be able to create this solution together is very positive, and having our own in-house management means that we are always available close to our tenants and with well-functioning premises," said Anna Lidhagen Ohlsén, property manager at Corem.

About Corem in Norrköping
