

# Swedish authority places order worth MSEK 5 on cybersecurity services from Advenica

Advenica, the Swedish provider of cybersecurity solutions, has received a new order from a Swedish authority.

The deal is worth MSEK 5 and deliveries will take place continuously during 2020 and during the first half of 2021.

Advenica is a well-established and trusted supplier of cybersecurity solutions that protect critical information. A new order for services to ensure continued maintenance of quality and high assurance has now been received from a Swedish authority.

Delivery of the order will begin immediately and will take place continuously during 2020 and during the first half of 2021.

*Advenica reaffirms its position as a leading supplier in the Swedish crypto industry. This deal also highlights the value of the investments that many customers will have to make for the future and is part of Advenica's strategy to be a cutting-edge company in the industry*

*Marie Bengtsson, CEO*
