# Advenica wins order worth 41 million SEK from Swedish authority

**Advenica has won an order from a Swedish authority within the total defence regarding encryption products. The total order value is SEK 41 million.**

Advenica is a well-established and trusted supplier of cybersecurity solutions in Sweden as well as internationally. The new order is for encryption products developed as part of the company's Designhouse business. These products are approved for sharing of information classified up to Top Secret / "Kvalificerat Hemlig".

The majority of the ordered products and accessories will be delivered during the first half of 2027, and a minor part will be delivered the second half of 2027.

*We deeply value the continued trust placed in us by this government agency. Every day, all year round, Advenica's products and solutions play a vital role in protecting society's most critical information.*

*Marie Bengtsson, CEO at Advenica*
