

Meet SSAB at Euroblech 2012, Germany

Join us at Euroblech, Stand D16, and meet our team of experts, listen to SSAB Steel Talks, and experience the latest demonstrations of high strength steels.

SSAB is a global leader in value added, high strength steel, with a strong focus on design, innovation and technology. We help our customers become more profitable by expanding the opportunities provided by high strength steels. Together, we are achieving our vision of producing steel for a stronger, lighter, and more sustainable world.

Visit our stand and learn more about SSAB's high strength steels marketed under the Docol, Domex, Hardox, Prelaq and Toolox brands, SSAB's latest value added service offering SSAB Shape, and the Swedish Steel Prize.

Experience SSAB Steel Talks at 11.00, 14.00 and 16.00 every day

In addition to showcasing our products, SSAB's experts will demonstrate and present the benefits of high strength steels during 15 stimulating minutes, three times a day. We invite you to join us at our daily sessions.

Date: October 23-27, 2012
