

## Jarmo Tonteri appointed interim Head of Ruukki Construction at SSAB

**Jarmo Tonteri has been appointed interim Head of the Ruukki Construction division of SSAB as of July 1, 2015. Jarmo Tonteri will report to the Board of Directors of Ruukki Construction Oy and to the President and CEO of SSAB, Martin Lindqvist.**

The current head of Ruukki Construction, Marko Somerma, will leave the company as of June 30, 2015.

“Marko has done a great job in integrating the former Rautaruukki’s two construction divisions and SSAB’s Plannja. I would like to thank Marko and wish him all the best in the future. Now there is a time to make a step change in combining selective profitable growth with continued restructuring. I welcome Jarmo to join the team to take the lead in Ruukki Construction,” says Martin Lindqvist.

Ruukki Construction is a European provider of energy-efficient building and construction solutions serving the construction industry.
