Press release

myFC's Board of Directors and Executive Management participate in the rights issue

Stockholm, April 9 2019

All shareholders in the Board of Directors and Executive Management of myFC intend to participate fully in the ongoing rights issue and will thus subscribe for a total of about SEK 1.5 million. The rights issue is guaranteed to 72%.

"I am pleased to lead myFC into the next phase, and the participation of the Board and our management in the rights issue is proof of this. It is also a good sign that we are experiencing a great demand for information in connection with the new share issue, and I would like to take this opportunity to refer to our prospectus where we describe in detail our market, our offering, and our view of the future," **says Björn Westerholm, CEO of myFC.**

The subscription period in myFC's new share issue runs until April 24. The issue consists of Units (one share and one warrant). The issue price is SEK 1 per Unit. The issue will bring in a maximum of SEK 56 million with an over-allotment option of an additional SEK 14 million.

The prospectus and form for subscription without the support of preferential rights can be obtained from the Company and are also available on myFC's website (myfcpower.com) and Hagberg & Aneborn Fondkommission AB's website (hagberganeborn.se).

Note that those who intend to subscribe without preferential rights directly through their administrator should contact the administrator regarding the procedure well in advance of the end of the subscription period.
