

The subscription period for TO2 has started

N.B. The English text is an in-house translation of the original Swedish text. Should there be any disparities between the Swedish and the English text, the Swedish text shall prevail.

Through the warrants of series 2018/2019 (TO2) issued in connection with the rights issue in December 2018, shares can be subscribed during the period September 2 – 13, 2019. A warrant entitles to subscribe for one (1) share for SEK 0.40. Below you will find information on how to use your warrants and the summarized terms of the warrants.

Nominee-registered warrants (custodian)

Subscription and payment with the support of the subscription option shall be made in accordance with instructions from the respective nominee. Please contact your nominee for further information.

Directly registered warrants (VP account)

No issue accounting or payment instructions will be sent out. Subscription shall be made by simultaneous cash payment according to the instructions on the application form. The warrants are then replaced with interim shares (IA) pending registration with the Swedish Companies Registration Office and then issuance with Euroclear. An application form with instructions for payment is available on Enviro's website www.envirosystems.se and on the Mangold Fondkommission AB's website www.mangold.se.

Summarized terms of the warrants:

A warrant of series 2018/2019 (TO2) entitles the holder to subscribe for one share for SEK 0.40. The warrants can be exercised to subscribe for shares from September 2, 2019 through September 13, 2019. In the event that all warrants are exercised, Enviro will receive approximately SEK 84.5 million before issue costs. The delivery of the subscribed shares through the exercise of warrants is expected to take place approximately four weeks after the end of the subscription period.

Application form and instructions for payment when subscribing for shares through the exercise of warrants are available on Enviro's website www.envirosystems.se and at the issuing institution Mangold Fondkommission AB's website www.mangold.se.

Full terms for the warrants TO2 are available on the company's website www.envirosystems.se.

Mangold Fondkommission AB, +46 8 503 01 550, ca@mangold.se, is Enviro's Certified Advisor at Nasdaq First North Growth Market.

Enviro develops, builds, and operates plants for recycling valuable resources from end-of-life tyres in the international market. The company has developed a process based on patented technology in which tyres are heated in an acid-free environment, which allows various tyre materials to be recycled without incineration. This achieves an environmentally friendly extraction where gas is used to operate the plant and the valuable resources of carbon black, oil, and steel are sold in the market. The material is used in new products, which helps customers meet sustainability targets and reduces the need for fossil resources. Enviro was founded in 2001. Its headquarters are located in Gothenburg and it operates a plant for the recycling of end-of-life tyres in Åsensbruk, Sweden. The company is listed for trade in Nasdaq First North Growth Market with Mangold Fondkommission, 08 5030 1550, ca@mangold.se as its Certified Advisor. www.envirosystems.se
