

Press Release

7/2020

Stockholm

2 April 2020

Production in Tara resumed

As of April 2, production at the Tara mine has been resumed. Prior to resuming production, dialogues have been held with authorities as well as union representatives regarding actions taken to assure a safe working place with regards to spread of the Corona virus. The actions now taken are considered sufficient to safeguard the health of employees and contractors at the Tara mine.

This information is information that Boliden AB is obliged to disclose in accordance with the EU Market Abuse Regulation. The information was submitted for publication through the Director Group Communications on 2 April March 2020 at 10:30 CET
