

## DUROC COMPLETES THE DIVESTMENT OF IFG ASOTA GMBH

Stockholm, 12 February 2026

**Duroc AB announces that the transaction regarding the divestment of IFG Asota GmbH ("Asota") to Beaulieu International Group N.V. ("BIG") has been completed and that BIG has taken ownership of Asota.**

Through the divestment of Asota, Duroc has taken a significant step in the strategic rebalancing of the Group. Substantial capital has been realized, thereby freeing up resources to accelerate investments within the Group's growing and profitable Industrial & Trading segment.

Duroc's previously communicated ambition to fully exit the European fiber business remains unchanged. The intention is to carry out further divestments within the Polymer operations as values can be realized on terms deemed to be in the best interests of shareholders.
