

DUROC ACQUIRES REMAINING MINORITY STAKE IN ROBOT NORDIC

Stockholm, 18 June 2026

Duroc's subsidiary Duroc Machine Tool Holding AB has today entered into an agreement to acquire, and completed the acquisition of, the remaining minority stake in Robot Nordic ApS. Following the acquisition, Duroc owns all shares in the company. Robot Nordic will henceforth be consolidated into the Duroc Machine Tool (DMT) business group.

This marks an important strategic milestone in DMT:s ambition to be the preferred partner for manufacturing companies looking to strengthen their competitiveness through modern technology, automation and digitalisation. By bringing machine technology and automation together in one organisation, DMT can now offer their customers one single point of contact for complete production solutions, from consulting and machine selection to automation, installation, service and ongoing support. With Robot Nordic's strong expertise in robot integration and automation, Duroc Machine Tool are even better positioned to help customers increase productivity, quality and flexibility across their operations.
