

Fiskars Kids Scissors

New designer handles for back-to-school 2015

Parents want nothing but the best for their kids as they send them back to school, to sharpen their imaginations and develop a love of learning that lasts a lifetime. The right school supplies can make a big difference in setting them off on the right foot, and Fiskars is here to help with the scissors that teachers recommend, parents trust and kids love.

Fiskars has refreshed its Designer Non-stick Scissors with new kid-selected patterns to adorn the safe and effective scissors that are counted on for projects all year long. The trendy patterns appeal to kids' unique styles and the non-stick blade coating makes it easy to cut cleanly through materials with sticky adhesives like glue or tape.

5" Designer Non-stick Kids Scissors

5" Designer Non-stick Kids Scissors

- Available in blunt- and pointed-tip

Fiskars Scissors for All Ages

Safe and reliable scissors from preschool to graduation and beyond

Fiskars is the #1 teacher recommended kids' scissors brand, designed to comfortably fit growing hands and to safely and effectively cut all classroom materials. Fiskars scissors are widely available at major retailers throughout the U.S. in multiple styles and sizes, as well as fun colors and patterns selected by kids.

For the third year, Fiskars has partnered with Boys & Girls Clubs of America to make a donation with the purchase of its classroom scissors to help youth develop skills they need to achieve great futures.

3+
