Yeah I know: About the last thing you would expect from a new Mercedes-AMG model is: silence.

But this concept car here is the first-ever performance-hybrid by AMG, which at the same time fully lives up to its ancestry ...

That means: you can also hear what you expect.

Puheen tekstitys, josta mahdollisuus kopioida haluttu osa "ostoskoriin"

The GT Concept drinks and smokes little.

And on top: This car even has laser lights. Most 50-year olds only have lasered eyes.

In fact: clean mobility and outstanding driving dynamics do fit together. Adding an electric engine even adds performance here.

As a consequence, the GT Concept is the first car ever to be awarded an "EQ Power +" badge. "EQ Power" stands for our intelligently electrified
