About Tobii Dynavox

Tobii Dynavox is the global leader in assistive communication. Our custom designed solutions enable people with disabilities such as cerebral palsy, ALS, autism and spinal cord injury to communicate with a voice of their own, develop literacy skills and live more independently. To date, hundreds of thousands of people worldwide have benefited from our integrated solutions, which include hardware, software, clinically developed language systems, special education tools, training, and dedicated support. Using AI-based speech synthesis, we offer users a personalized voice identity in over 30 languages, for children and adults. We offer an extensive funding support system to reach as many people as possible. Headquartered in Sweden, Tobii Dynavox employs over 600 people with offices in the US, the UK, Ireland, Norway, Denmark, Belgium, France and China, and reselling partners in 60+ countries.
