

COMMUNIQUE – ACT LIKE A KID

We are kids, and we will fight to save the world!
We are kids, and we see our schools float away in rising water.
We see the ice melting, and starving polar bears in our land.
We see our water wells drying out.
And we see black smoke killing people.
But we will fight to save the world!

We are kids, and we see typhoons hitting our homes.
We see big people cutting down trees,
and we feel how the air sometimes is hard to breathe.
We see how the forest is burning.
But we will fight to save this world!

We are kids, and we like to play.
We like to draw, play football and read books.
We like to sing and dance.
But now we will fight to save the world!

We are kids, and we have to pay for mistakes that we haven't made.
You adults are giving us a world in chaos, and we are scared.
But our future children should live in a better world than this.
So we will fight to save the world!

We are kids, we're still young and have a lot to learn.
But this is the last chance to save our planet, and we don't have the time to grow up.
Our planet is dying slowly. This has to end.
That's why we're here to tell you adults;
Act like us kids – and fight to save the world!
