## GARO's Annual Report for 2025

**GARO today published its annual report for 2025. Joe Ree, Interim President and CEO, summarizes the year:**

*“GARO’s 2025 was a year characterized by global uncertainty, which led to a decline in demand and challenging conditions. Important efforts were made to strengthen our financial and operational position. We improved our cash flow by reducing tied-up capital in our inventories and by streamlining our range and prioritizing products with stable demand and clear customer benefit.”*
