

Offline payment privacy – new webinar by Crunchfish in partnership with Lipis Advisors

Offline payment privacy was the topic of the webinar in the series *Enabling offline payments in an online world* to discuss the 3rd white paper – *A practical guide for offline payment privacy considerations*, that Lipis Advisors released in partnership with Crunchfish. A panel discussion with participation from Lipis Advisors, Digital Euro Association and Crunchfish followed the presentation of the white paper.

The webinar started with David Tercero, Payment expert at Lipis Advisors presenting key insights of the [offline payment privacy white paper](#), followed by moderated Q&A with a panel and the audience. In the panel for [the third webinar](#) is Payment expert David Tercero at Lipis Advisors, Anne-Sophie Gógl, CBDC privacy expert, Digital Euro Association and Crunchfish CEO Joachim Samuelsson. The webinar was moderated by Johan Wester.

The [recording of the webinar](#) discussing offline payment privacy is now available. All previous webinars are available on our [website](#) and [YouTube channel](#). Subscribe to never miss when we publish new episodes.
