

Multiple opportunities to interact with Crunchfish in the upcoming week

Following a busy week with major announcements and an impactful engagement at CB+DC Conference at the Bahamas, Crunchfish is pleased to invite to three opportunities to interact with Crunchfish in the upcoming week.

On Tuesday September 16th at 13.30 CEST Crunchfish CEO Joachim Samuelsson will present in Swedish at "Stora Aktiespardagen" in Stockholm. The presentation will be focused on why invest in Crunchfish. It is possible to [follow the presentation live](#) and it will be recorded and published on Crunchfish website afterwards. [The program for the whole event can be found here.](#)

On Thursday September 18th two events are scheduled. First there is a hot topic webinar at 09.00 CET organized by Emerging Payment Association Asia (EPAA), sponsored by Crunchfish, on the topic on Rethinking Payments – Online, Offline and Cash: Powering the Next Wave of Resilient Digital Payments. The panel discussion, moderated by Monica Jasuja, brings together senior leaders from payment networks, technology innovators, and operators to share strategic insights and practical approaches to enabling seamless, resilient digital payments—whether online, offline, or at the physical point of sale. Open for all. [Register using this link.](#) The webinar will be recorded and published on Crunchfish and EPAA websites afterwards.

In the evening on September 18th there is a physical meeting at Crunchfish Headquarters in Malmö where the Ambassador of India to Sweden will give the opening address followed by a presentation of
