

## Enersize Q4 Company Brief March 2019

The Q4 company brief is attached and also available on our webpage. It is a translation of selected parts of the Q4 report originally published in Swedish on March 29, 2019, with title "Enersize offentliggör bokslutskommuniké".

**Anders Sjögren, CEO of Enersize, comments:** *"The fiscal year 2018 has offered major upheavals and more or less a new start for Enersize on most fronts. With a new start, there will also be new expectations for the Company and what we can deliver. We have a good plan for what we want to achieve in the future and I look forward to 2019 as a turning point for Enersize. I also want to thank all shareholder that support us on this trip."*

### **Brief information about Enersize**

*With its proprietary patent-pending automated software for leakage management, data collection and analysis, Enersize can provide 10-50% energy savings in industrial compressed air systems. Through the recently acquired LEAQS system, the company has access to more than 9000 leakage management projects, and the associated more than 4000 customers worldwide. The combination of the company's software services can increase the customer's savings in running projects, while generating direct license and project revenue. 90% of the manufacturing industry uses compressed air, which constitutes about 5% of the world's total electricity consumption. Among Enersize's existing customers are one of the world's largest manufacturers of flat screens and well-known car manufacturers and steel mills. The company is headquartered in Helsinki, have a sales office in Gothenburg and a development office in Lund. The company is listed on Nasdaq Stockholm First North under the ticker: ENERS.
