## **Sedana Medical publishes its Annual Report for 2023**

**Sedana Medical AB (publ) publishes its Annual Report for 2023. The Annual Report describes important events and financial information for 2023, as well as the progress the company has made on its strategic priorities during the year.**

"During the year 2023, Sedana Medical took several important steps towards becoming a stronger and healthier company. We have returned to consistent sales growth after the challenging post-Covid period, we have taken decisive steps towards reaching profitability in our ex-US business, and we are making progress towards our launch on the US market – our single largest growth opportunity and a pivotal milestone for the company.", says Johannes Doll, President and CEO of Sedana Medical.

The Annual Report is available at [www.sedanamedical.com](http://www.sedanamedical.com).

**About Sedana Medical**

Sedana Medical AB (publ) is a pioneer medtech and pharmaceutical company focused on inhaled sedation to improve the patient's life during and beyond sedation. Through the combined strengths of the medical device Sedaconda ACD and the pharmaceutical Sedaconda (isoflurane), Sedana Medical provides inhaled sedation for mechanically ventilated patients in intensive care.

Sedana Medical has direct sales in Benelux, France, Germany, Great Britain, the Nordics, and Spain. In other parts of Europe as well as in Asia, Australia, Canada, and South- and Central America, the company works with external distributors.

Sedana Medical was founded in 2005, is listed on Nasdaq Stockholm (SEDANA) and headquartered in Stockholm, Sweden.
