The general meeting passed the following resolution in order to effectuate the option program:

"The Board of Directors of Nordic Mining ASA (the "Company") is authorized to increase the share capital of the Company by up to NOK 5,400,000 by one or more share issues. The authorization may be used in connection with the issuing of shares in favor of employees in the Company and/or subsidiaries of the Company and qualified resource persons. The shares may be issued to the person directly or to a company owned by the person. The Board of Directors may also issue shares in favor of persons or companies that are not shareholders in the Company.

The subscription price for each share subscribed by the option holder shall be equal to the 10-day volume weighted average share price of Nordic Mining ASA at the award date.

The existing shareholders' preferential right to subscribe for shares is deviated from.

The Board of Directors is granted the authority to amend article 4 of the Articles of Association with regard to the size of the share capital in compliance with any capital increase determined by the Board of Directors pursuant to this authorization.

This authorization to the Board of Directors shall be valid until 19 May 2024.

This authorization shall apply in addition to the authorization resolved in item 11 above."
