About Artificial Solutions

[Artificial Solutions®](#) ([SSME:ASAI](#)) is the leading specialist in Conversational AI. We enable communication with applications, websites and devices in everyday, humanlike natural language via voice, text, touch or gesture input.

Artificial Solutions' advanced conversational AI Teneo®, allows business users and developers to create sophisticated, highly intelligent applications that run across 86 languages and dialects, multiple platforms and channels in record time. The ability to analyse and make use of the enormous quantities of conversational data is fully integrated within Teneo, delivering unprecedented levels of data insight that reveal what customers are truly thinking.

Artificial Solutions' conversational AI technology makes it easy to implement a wide range of natural language applications such as virtual assistants, conversational bots, speech-based conversational UIs for smart devices and more. It is already used daily by millions of people across hundreds of private and public sector deployments worldwide.

Artificial Solutions International is listed on Nasdaq First North Growth Market in Stockholm with short name ASAI. Erik Penser Bank is the Company's Certified Adviser (www.penser.se, tfn +46 (0) 8-463 83 00, e-post certifiedadviser@penser.se).
