About Lammhults Design Group

Lammhults Design Group is a Swedish furniture group specializing in interiors for public spaces and office environments. The business is organized into two business areas: Office Interiors and Library Interiors. The Group generates profitable growth through long-term ownership of furniture and interior design companies. Built on customer insight, innovation, design excellence, and sustainability, we bring together some of Scandinavia's leading brands in collaboration with top industry designers. The company is listed on Nasdaq Stockholm Small Cap.
