About Lammhults Design Group

Lammhults Design Group is a Swedish furniture group that develops products and interior solutions for public spaces and office environments. The Group operates through two business areas: Office Interiors and Library Interiors.

The Group creates long-term profitable growth by developing and refining its brands, strengthening its customer offering, and driving operational efficiency. Its operations are built on customer insight, design, innovation, and sustainability. The portfolio includes some of Scandinavia's strongest brands, and the products are developed in close collaboration with leading designers in the industry.

Lammhults Design Group is listed on Nasdaq Stockholm Small Cap.
