**Bigger, better and more feature-packed than ever: Angry Birds GO! Turbo Edition is available exclusively on cloud gaming service Hatch**

***Angry Birds GO! Turbo Edition, brings real-time multiplayer racing madness to Hatch, the cloud gaming service available to download on Google Play***

**HELSINKI, FI. AUGUST 12TH 2019** - Angry Birds GO! Turbo Edition is the turbocharged new version of one of the world's most downloaded kart games ever. The game is a Hatch Original title, and is available to play exclusively on Hatch - the only cloud gaming service designed for mobile. Streamed through Hatch, players will be able to experience a unique and thrilling racing game on mobile like never before.

At the heart of Angry Birds GO! Turbo Edition is the all new real-time multiplayer mode offering players the chance to compete against friends, family and online rivals from across the globe. Streamed from any Android device as easily as a movie or TV show - on 5G, 4G/LTE and WiFi - players can compete with up to four other players from anywhere, anytime - a first for Angry Birds GO!

Players of Angry Birds GO! Turbo Edition will be able to:

- ENJOY MULTIPLAYER MADNESS - race, clash and compete in real-time against four players!
- PLAY ANYWHERE - Hatch delivers an incredible gaming experience across 5G Android devices and Android TV, as well as WiFi and 4G/LTE under good network conditions
- ACCESS ANYTIME, ANYWHERE - once Hatch is downloaded from Google Play (or the Samsung Galaxy Store in Korea), immerse yourself in Angry Birds GO! Turbo Edition with no additional cost or in-game purchases
- CLIMB THE LEADERBOARDS AND WIN FANTASTIC PRIZES - race your way to the top of the leaderboard and win some amazing prizes
- USE SPECIAL POWERS - smash and crash opponents off the road and cross the finish line first thanks to the unique and special powers of each character
- UPGRADE YOUR RIDE - compete to earn rewards to revamp your ride, and be crowned one of the best racers!
- ALL NEW CHARACTERS COMING SOON - stay tuned for surprises!

Juhani Honkala, Founder and CEO, Hatch said: "To have the newest version of Angry Birds GO! streaming exclusively on Hatch is a very exciting moment. From thrilling multiplayer races

with your friends and family to the chance to dominate leaderboards and win real life prizes - we're giving fans of the classic game a totally fresh experience while introducing a new audience to one of the most popular kart games ever. We believe people will love the new Angry Birds GO! Turbo Edition.”
