

## News release from Vestas China

Beijing, 29 May 2020

### Vestas wins 41 MW order in China

Vestas has received an order for a project in China that includes the supply of 17 V120-2.2 MW wind turbines with 141m towers delivered in 2.4 MW Power Optimised Mode, as well as a 5-year Active Output Management 4000 (AOM 4000) service agreement.

Deliveries are expected to begin in the fourth quarter of 2020, with commissioning planned for the same quarter.

The project and customer are undisclosed.
