MHI Vestas Offshore Wind A/S has received a 1,140 MW order for an offshore project in the UK

With reference to Vestas Wind Systems A/S' Company announcement No. 22/2020 of 1 June 2020, MHI Vestas Offshore Wind has received a firm order for delivery of wind turbines for the Seagreen offshore project in Scotland. The order has been placed by Seagreen Wind Energy Limited and comprises 114 V164-10.0 MW™ turbines delivered in different load optimised modes to adapt to grid requirements.

The wind turbines will be delivered by MHI Vestas Offshore Wind A/S and will not enter into the order backlog of Vestas Wind Systems A/S.
