BOMILL ANNOUNCES OUTCOME OF SUBSCRIPTION IN WARRANT-BASED INCENTIVE PROGRAM

At the Annual General Meeting of BoMill AB (the “Company”) held on May 8, 2025, the shareholders resolved to implement a long-term incentive program for employees of the Company in the form of warrants of series 2025/2028:1 (the “Warrants”). The number of warrants is a maximum of 3,600,000 and 100 percent of the warrants have been subscribed.

Each warrant entitles the holder to subscribe for one new share in the Company at a subscription price corresponding to 150 per cent of the volume-weighted average price paid for the Company’s share on Nasdaq First North Growth Market during the period from May 09, 2025 up to and including May 22, 2025. The subscription price has thereby been set at SEK 0,951 per share. The warrants may be exercised for subscription of shares during the period from June 1, 2028, up to and including June 30, 2028.

The final warrant price has been determined based on the Black-Scholes warrant valuation model at SEK 0.1210 per warrant. The total number of 3,600,000 warrants has been subscribed for, which means that 100 percent of the program has been subscribed for.

The terms and conditions for the warrant-based incentive program can be found on the page dedicated to the Annual General Meeting 2025 on the Company’s website:
