About Everfuel | www.everfuel.com

Everfuel is making green hydrogen for zero emission industry and mobility commercially available across Europe, offering competitive all-inclusive hydrogen supply- and fuelling solutions. We own and operate green hydrogen infrastructure and partner with industry and vehicle OEMs to connect the entire hydrogen value chain and seamlessly provide hydrogen fuel to enterprise customers under long-term contracts. Green hydrogen is a 100% clean energy carrier made from renewable solar and wind power and key to decarbonising industry and transportation in Europe. We are an ambitious, rapidly growing company, headquartered in Herning, Denmark, and with activities in Norway, Denmark, Sweden, The Netherlands, Germany and Belgium, and a plan to grow across Europe.
