

Invitation to press meeting

You are invited to a press meeting regarding Stegra's newly announced funding round for the completion of the company's large-scale green steel plant in Boden, Sweden. Online participation will not be possible. The press meeting will be held in Swedish.

Date: Tuesday April 14

Time: 11:00 CET

Location: Norra Stationsgatan 93A, Stockholm

Pre-registration and valid press credentials are required. Please register via press@stegra.com

Following brief presentations by Stegra's CEO Henrik Henriksson and Stegra's intended new Chairman of the Board, Leif Johansson, there will be time for Q&A.

Select interviews will be offered after the presentation and Q&A session.

For further information please contact Karin Hallstan, Head of Communications karin.hallstan@stegra.com (+46 76 842 81 04) or Nils Eklund, Media Relations Manager nils.eklund@stegra.com

About Stegra

Stegra is an industrial impact scale-up in the process of building its first plant for large-scale production of green hydrogen, green iron and green steel. The company was founded in 2020 as H2 Green Steel and changed name to Stegra in 2024 to reflect its purpose to decarbonize hard-to-abate industry, starting with steel. Stegra's flagship plant is being built in Boden, northern Sweden, and its headquarters are in Stockholm. www.stegra.com
