MSAB publishes Annual Report for 2025

MSAB announces today that the company's Annual Report for the financial year 2025 has been published and is now available on the company's website. The report provides a comprehensive overview of the company's performance during the year, including financial results, strategic initiatives, and key developments.

The Annual Report reflects a year marked by continued investment, operational development, and a strong focus on long-term growth within the digital forensics market.

The full report is available for download at [Financial reports - MSAB IR](#).

This information is information that MSAB is obliged to make public pursuant to the Securities Markets Act. The information was submitted for publication of the contact persons set out below, on April 21, 2026, 13.00 (CET).

About MSAB:

MSAB is a world leader in forensic technology for extracting and analyzing data in seized mobile devices. The company develops high-quality and easy-to-use software for law enforcement organizations, such as police, defense, and customs. The products, which have become a de facto standard for securing evidence in criminal investigations, can be supplemented with reporting tools and a large range of training with certifications within a holistic method for forensic science. The company serves customers in more than 100 countries worldwide, through its own sales offices and through distributors. MSAB is listed on Nasdaq Stockholm under the ticker name: MSAB B. www.msab.com
