Xer Tech Holding AB Announces Resignation of Board Member

Xer Tech Holding AB (publ) (“Xer” or the “Company”) announces that Patrik Högberg has decided to resign from the Company's Board of Directors for personal reasons.

Patrik Högbergs's decision is based on private circumstances that require his attention. The Company respects his decision and would like to express its sincere appreciation for his valuable contributions, commitment and support during an important phase of Xer's development.

As Xer continues to expand its activities in the defence and security markets, the Company also sees an opportunity to further strengthen its Board of Directors with additional industry expertise and strategic experience. This would support Xer's strategic ambitions and ensure that the Board is well positioned to guide the Company's next phase of growth.
