

Press release from Scandinavian Astor Group AB (publ)
Stockholm November 12, 2025

Correction: Interim report January – September 2025 for Scandinavian Astor Group

In the interim report and accompanying press release published on November 12, 2025, at 7:30 a.m., certain information regarding order intake and order book has been corrected. In the previous version of the report, the key figures table stated that order intake for the period January–September 2025 amounted to SEK 255,137 thousand. The correct amount is SEK 322,145 thousand for the same period. Furthermore, the RTM order book has been adjusted from SEK 657,342 thousand to SEK 368,307 thousand. In other parts of the report, the correct figure of SEK 368,307 thousand is stated. The summary of the report and the press release stated a change in order intake of +140%, which has now been corrected to +432% compared with the previous year. The table on page 3 has also been updated – the heading “Order intake RTM, SEK thousand” has been corrected to “Order intake YTD., SEK thousand”. The correction does not affect the company's other reported figures, key figures, or conclusions in the report. An updated version of the interim report is attached to this press release and is also published on Scandinavian Astor Group's website.
