This Supplement (the "**Supplement**") to the prospectus dated 9 October 2025 (the "**Prospectus**") constitutes a supplement to the Prospectus for the purposes of Article 23 of the UK Prospectus Regulation and is prepared in connection with the €20,000,000,000 Global Secured Medium Term Note Programme (the "**Programme**") established by Anglian Water Services Financing Plc (the "**Issuer**"). When used in this Supplement, "**UK Prospectus Regulation**" means Regulation (EU) 2017/1129 as it forms part of domestic law.

This Supplement is supplemental to, and should be read in conjunction with, the Prospectus and any other supplements to the Prospectus issued by the Issuer.

Unless otherwise defined in this Supplement, terms defined in the Prospectus have the same meaning when used in this Supplement. Unless stated otherwise, page numbers referred to in this Supplement refer to pages in the Prospectus.

The Issuer and each of Anglian Water Services Limited ("**AWS**"), Anglian Water Services Holdings Limited and Anglian Water Services UK Parent Co Limited (together with the Issuer, being the "**Obligors**") accepts responsibility for the information contained in this Supplement. To the best of the knowledge of each of the Issuer and the other Obligors, the information contained in this Supplement is in accordance with the facts and this Supplement makes no omission likely to affect its import.

The purpose of this Supplement is to disclose that:

- on 3 December 2025 AWS published its consolidated preliminary financial results for the six months ended 30 September 2025 (such financial results being consolidated to include the Issuer). A copy of those preliminary financial results can be accessed at [692fe579ecc2529b09d18391_2025 Interims_MASTER FINAL - Unsigned.pdf](#). The consolidated financial results have been compiled and prepared on a basis which is both (a) comparable with the consolidated historical financial information for the six months ended 30 September 2024 and (b) consistent with AWS's accounting policies; and
- the Issuer has notified S&P Global Rating Europe Limited ("**S&P**") of its intention to discontinue the engagement of S&P as one of its external credit rating agencies providing ratings coverage. At the date of this Supplement, S&P provides ratings coverage in respect of the Issuer's class A secured debt at BBB (stable). The proposed discontinuance follows an internal review of the resource demands involved in supporting a third rating. The Issuer will continue to maintain its ratings coverage from Fitch Ratings Ltd and Moody's Investor Services Limited, which are A- (stable) and Baa1 (stable), respectively. The Issuer will work with S&P to manage an orderly discontinuance of its ratings coverage. The existing S&P rating will remain in place until it is formally withdrawn by S&P. The proposed discontinuance of ratings coverage from S&P is not expected to have any impact on the Company's financing arrangements, regulatory commitments or ongoing engagement with debt investors.

A copy of the above financial statements has been filed with the United Kingdom Financial Conduct Authority (the "FCA") and, by virtue of this Supplement, those financial results are incorporated in, and form part of, the Prospectus. Copies of all documents incorporated by reference in the Prospectus can be obtained (without charge) from the Issuer's website at <https://www.anglianwatergroup.co.uk>, from the registered office of the Issuer at Anglian Water headquarters at Lancaster House, Lancaster Way, Ermine Business Park, Huntingdon, Cambridgeshire, United Kingdom PE29 6XU and from the specified offices of the Paying Agents for the time being, as described in the Prospectus. In addition, copies of such documents will be available on the website of the Regulatory News Service operated by the London Stock Exchange at <http://www.londonstockexchange.com/exchange/pricesand-news/news/market-news/market-news-home.html>. Please note, however, that the content of the website is not being incorporated by reference into the Prospectus by way of this Supplement.

To the extent that there is any inconsistency between (a) any statement in this Supplement or any statement incorporated by reference into the Prospectus by this Supplement and (b) any other statement in or incorporated by reference in the Prospectus, the statements in (a) above will prevail.

Save as disclosed in this Supplement, there has been no other significant new factor, material mistake or material inaccuracy relating to information included in the Prospectus since the publication of the Prospectus.

If documents which are incorporated by reference into this Supplement themselves incorporate any information or other documents therein, either expressly or implicitly, such information or other documents will not form part of this Supplement for the purposes of the UK Prospectus Regulation except where such information or other documents are specifically incorporated by reference or where this Supplement is specifically defined as including such information.
