Information to distributors

For the purpose of complying with the product governance requirements set out in: (a) Directive 2014/65/EU of the European Parliament and of the Council on markets in financial instruments, as consolidated, (“**MiFID II**”); (b) Articles 9 and 10 of Commission Delegated Directive (EU) 2017/593, which complements MiFID II; and (c) national implementing measures (together, the “**MiFID II Product Governance Requirements**”) and to discharge any non-contractual, contractual or other liability to which any “manufacturer” (within the meaning of the MiFID II Product Governance Requirements) might otherwise be subject, the Offer SDRs have been subject to a product

approval process, which has determined that such SDRs are: (i) suitable for a target market of retail investors and investors meeting the criteria of professional clients and eligible counterparties, as defined in MiFID II; and (ii) suitable for distribution through all distribution channels permitted under MiFID II (the “**EU Target Market Assessment**”). For the purposes of complying with each manufacturer’s product authorisation process in the UK, the Target Market Assessment, as defined below, for the Company’s SDRs has concluded that: (i) the target market for such SDRs is only eligible counterparties as defined in the FCA Handbook Conduct of Business Sourcebook and professional investors as defined in Regulation (EU) 600/2014 which is part of UK legislation through the European Union (Withdrawal) Act 2018 (“**UK MiFIR**”) and (ii) all distribution channels for such SDRs to eligible counterparties and professional clients are appropriate (the “**UK Target Market Assessment**” and together with the EU Target Market Assessment, the “**Target Market Assessment**”). Notwithstanding the Target Market Assessment, distributors should note that: the price of ARENIT’s SDRs may fall and investors may lose all or part of their investment; that ARENIT’s SDRs carry no guarantee of return or capital protection; and that an investment in ARENIT’s SDRs is suitable only for investors who do not require a guaranteed return or capital protection and who (acting alone or with the assistance of an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and have sufficient resources to bear any losses that may result from such an investment. The Target Market Assessment is without prejudice to any other requirements relating to contractual, legal, or regulatory selling restrictions in connection with the Offer. Furthermore, it should be noted that, notwithstanding the Target Market Assessment, the Manager will only provide investors who fulfil the criteria of professional clients and eligible counterparties.

For the avoidance of doubt, the Target Market Assessment does not constitute (a) an assessment of suitability or appropriateness for the purposes of MiFID II or UK MiFIR or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the SDRs of ARENIT.

Each distributor is responsible for conducting its own Target Market Assessment in respect of ARENIT’s SDRs and for determining appropriate distribution channels.
