

PRESS RELEASE**10 02 2017**

Several awards to Kungsleden in the competition “Leaser of the Year”

Kungsleden had great success in the competition ”Leaser of the Year 2016”. The company won the title ”Best Leasing team” in both region Västra Götaland and region ”the rest of Sweden”. In addition, both Helena Dellborg (Västra Götaland) and Louise Appelros (Skåne) was appointed “Best Leaser of the Year” in their respective region.

Curt Grundman was number two in region ”the rest of Sweden” and Fredrik Lindén was number three in Stockholm.

“It’s really gratifying to see so many of our employees on the leaderboard. A great tribute to our fantastic leasing team! Having a strong leasing organisation is very important for us as a long-term property owner with a focus on customer needs”, said Biljana Pehrsson, CEO Kungsleden.

Kungsleden's leasing team consists of nine people stationed at four locations. Head of Leasing is Lena Bredberg.

“One of our key success factors is that we manage to be responsive to the needs of both existing and potential customers. This is facilitated by an increasingly concentrated real estate portfolio and a leasing team with really good local knowledge”, says Lena Bredberg.

The competition is organized annually by the magazine Lokalguiden and aims to highlight leasing staff and brokers and the work they do. The winner in each region will be awarded the title “Leasing Staff of the Year” and receive a scholarship of SEK 15,000. Each region also has a team competition where the best leasing team wins SEK 10,000. Learn more and follow the contest on aretsuthyare.se

Kungsleden is a long term property-owner that provides attractive, functional premises that enrich people's working days. We create value by owning, managing and developing offices and other commercial properties in Stockholm and Sweden's other growth regions. A large portion of our properties belong to attractively located clusters where we also engage in the development of the whole area. Kungsleden's goal is to deliver an attractive total return on our properties and for our shareholders. Kungsleden is listed on NASDAQ OMX Nordic Large Cap.
