Kungsleden strengthens in Finance, HR and IT

Kungsleden has recruited new employees to key positions within Finance, HR and IT, during the last couple of months. The recruitments strengthen and streamline the support to the business operations and contribute to the vision of creating attractive places that enrich people's working days.

Peter Anderson has recently assumed the role as Head of Finance with the overall responsibility for accounting, reporting and financial management. Peter has many years of experience as CFO in various real estate companies e.g. Steen & Ström. Upon recently he held the position as CFO of ICA Fastigheter.

The Finance department has also been reinforced by **Linda Frölén** who has assumed the role as Head of Financial Control with responsibility for consolidation and group accounting. Prior to joining Kungsleden, Linda worked with group accounting at the pharmaceutical company Meda.

Furthermore, Kungsleden has recruited **Hanna Brandström** as HR Director. Hanna has approximately ten years of experience from working in the HR field. Her most recent employment was with SC Motors Sweden, holding the role as General Manager for their HR & Legal department.

In order to ensure the ambition of being in the forefront of the digitalization era, **Maria Masuch** was recruited this winter as Head of IT. Maria is in charge of Kungsleden's strategic digitalization and IT transformation. She has a solid IT experience, most recently from SPP. Maria has also worked at Trygg-Hansa and as an IT and management consultant in several global organisations.

- We are very proud and happy to welcome these highly competent and professional people to our organisation. Both Peter, Linda, Hanna and Maria hold key positions within the company and have already started to create an increasingly effective and successful Kungsleden, says CEO Biljana Pehrsson.
