

## AUTOGAS IN ACTION: BENCHMARK LANDSCAPES

Benchmark Landscapes runs mowers as well as vehicles on clean propane autogas. "Over the past five years, we have been very pleased with our decision to convert our fleet to propane," says Clayton Oldham, Benchmark Landscapes Branch Manager. "This decision has enabled us to stay on the forefront of our industry in Central Texas by doing our part to protect the environment — all while saving money."

# \$72,000

SAVED ANNUALLY BY USING PROPANE  
TO POWER BENCHMARK'S MOWERS

Savings are greater if vehicle fuel usage is also considered!

### FLEET BREAKDOWN

# 46

Propane mowers
