Family Fun Under The Zulu Sun...

KwaZulu-Natal in South Africa is the perfect family getaway for the upcoming June half term (first week of June) or the July/August 2012 UK Summer Holidays. Not only is KwaZulu-Natal the **warmest place in South Africa** between July and September, with hot sunny days ideal for outdoor adventure and activity for the whole family – but it offers some of the **best off-peak rates** you will find anywhere in the country! The evenings can be a little chilly so visitors are advised to pack warm jumpers for activities like evening game drives – but this is also the best time of the year for **prime game viewing** in KwaZulu-Natal!

Ethos Marketing's KwaZulu-Natal based properties welcome children and have come together to create some fantastic "Family Fun under the Zulu Sun" offers based on travel between 1 – 10 June and between 23 July and 31 August 2012.

During these dates, **KIDS STAY FREE** when travelling with two adults. Plus kids can look forward to learning while they play on activities like "Grubby Bug" walks or taking a Zulu village tour to meet other children to see how they live and learn. Properties such as Ghost Mountain Inn and Cathedral Peak also have great facilities for youngsters plus a programme of activities that will appeal to young and old. We also highly recommend a beach add on as the province has some of the best sandy beaches you will find anywhere with warm waters for swimming and surfing!

Ghost Mountain Inn is situated at the foot of the legendary Ghost Mountain and is undoubtedly Zululand's finest Country Inn. This 4-star family owned and run hotel boasts 50 elegant rooms with private patios leading on to extensive gardens.

SPECIAL OFFER: Children under 12 stay FREE when sharing with 2 Adults in the June Half Term and UK Summer School Holidays. Children aged 13 – 16 pay just R280 (about £24) per night Bed and Breakfast.

Both the Garden rooms and the Suite offer comfortable pull out sofas for children. Single rooms are not ideal for sharing with children as space is more limited.

Ghost Mountain makes its youngest visitors feel welcome with Kids sheets on the beds, a Kiddies Menu, a playground and games room with snooker and darts for older kids. Children are welcome to join safaris and boat trips and resident guide Jean will arrange Grubby Bug walks for the kids, where they go on an 'insect safari'. Baby-sitting facilities are available to give parents some down time.
