BRAUN

Anatomy of a flawless glow

Ultra-precise epilation

- Slim head for ultimate precision, perfect for chin, upper lip, forehead and to maintain eyebrows in shape
- 10 micro-openings to capture finest, almost invisible hairs
- 200 plucking motions per second deliver thoroughly smooth skin for up to 4 weeks in an instant
- Two-direction switch to remove hairs on either side of the face with ease

Works precisely on delicate areas and feels like a mascara in your hand.

Gentle, yet effective cleansing

- In just one minute the expertly designed brush oscillates to loosen make-up and impurities, working pore-deep and up to 6x better than manual cleansing
- Refines and exfoliates, to restore the skin's natural glow and purity – and with its soft bristles, it's so gentle, especially on sensitive skin
- Easy to integrate into your shower routine with your favourite cleansing product
- With all that cleansing, it's key to keep on top of hygiene and performance! Change the brush refill every 3 months

Removes make-up and impurities pore-deep to reveal your flawless glow.
