

MTG publishes 2016 Annual and Corporate Responsibility Reports

MTG has today published its Annual Report and Corporate Responsibility Report for 2016. Both reports are available at www.mtg.com.

The Annual Report summarizes MTG's financial performance in 2016 and reviews the company's ongoing strategic transformation from a traditional national broadcaster into a global digital entertainer. The report is available in Swedish and in English.

The Corporate Responsibility Report presents MTG's performance as a responsible and sustainable business. It highlights MTG's reinforcement of its corporate responsibility strategy with four focus areas – media responsibility, social impact, business ethics and environmental care – and outlines the company's sustainability priorities for the coming years.

For the seventh consecutive year, MTG's Corporate Responsibility Report is produced in accordance with the Global Reporting Initiative's "G4 Sustainability Reporting Guidelines". The report is published in English.

The two reports are available through the following links:
