Statement by the President and CEO

Rejlers is reporting a new record-breaking profit for the first quarter of 2022, which is 122 per cent higher than the first quarter of last year. The EBITA margin for the quarter rose to 9.0 per cent (5.1), another step on the way to reaching our long-term targets. Our sales increased by 25.3 per cent to SEK 849.1 million thanks to higher utilisation and higher prices in a good market", says Viktor Svensson, President and CEO, Rejlers AB.
